COVID SAFETY

The Music Studio takes every precaution to ensure the safety of its students, faculty, and staff. Following the guidance of the CDC and New York State's Department of Health, social distancing, masks, temperature checks, open windows, and rigorous hygiene protocols are all features of classroom instruction while COVID-19 remains a concern. In addition to daily and/or per-use disinfection of all surfaces and instruments, we have installed UV-C lights for overnight sanitation as well as medical-grade air purifiers in every room. Above all, we have limited our class size to just four students: half the usual number. Please contact us if you have questions about COVID safety.
